

Joint Press Release New Jersey/Long Beach - April 1, 2015

Mitsui O.S.K. Lines

World Logistics Service (U.S.A.), Inc.

Mitsui O.S.K. Lines, Ltd. (MOL) and World Logistics Service (USA), Inc. (WLS) are pleased to announce the establishment of the new joint sales and marketing office in the U.S. for their USA West Bound Services (NAPS – North America Pacific Service) covering West Coast North America (PNW & PSW) to China, South Korea, Japan, Australia and other Southeast Asian destinations. Using their combined RORO/PCTC tonnage of 120 vessels, the two forces will provide seamless RORO sailings from USA to all Asian and Pacific destinations.

The customers will be able to book and/or receive service quotations through both MOL and WLS offices to obtain the same service support at the origin ports as well as at the destination ports.

MOL – smoothing the waves of information flow.

MOL Car & RoRo E-Commerce

MOL and WLS shall provide the industry with the highest RORO/PCTC transportation service through their long standing reputation of quality cargo care, agency network, customer service, tonnage flexibility and schedule integrity.
